

*At Afterhours, trail pass dollars are not enough*  
**Top-quality grooming relies on additional support from skiers like you**

The Afterhours Ski Trail depends on two sources of funding. One is state trail pass fees, which pay for Brule River State Forest (BRSF) staff time spent on the trail and for purchases of trail grooming equipment. The other is the Brule Valley Ski Club, which makes it possible for the BRSF staff to groom the trail to the extraordinary, top-quality standards that we Brule area skiers have come to expect.
