

Racer Choices

Each person when registering can choose between 3 events. There is a 9AM Classic in-person event, and a 2 PM Freestyle in-person event, both on Jan. 16 and a Virtual Challenge beginning on Jan. 17. The two events on Jan. 16 are each limited to 45 persons total. You can race in the 10K or the 18K. Each event begins at the specified time with two-person interval starts one minute apart.

The Virtual Challenge allows each person to pick their own start time doing the same distances as the in-person event but you have nine days to pick from to ski the course and record your time and report it for posting on our website. You don't even have to report your time, but the course will remain open and posted for the whole time frame.
