WHY JOIN THE BRULE VALLEY SKI CLUB?

The most important value of membership is for the love of non-motorized outdoor recreation at the After

Hours Trails in the Brule River State Forest.

Membership funds provide support for trail development, XC Ski trail, snowshoe, and winter bike trail grooming. Beginning this ski season a new skijoring trail is being opened. Summer hiking and biking are other trail activities.

The Brule Valley Ski Club has held an annual XC Ski Race—the River View Loppet and Learn-to-Ski-Days for over 30 years.
